

Gubbio Lenten Retreat

Saturday, March 13th ~ 9am - 3pm

The Gubbio Project, which offers *Sacred Sleep* and *Sanctuary* to our homeless brothers and sisters in the Tenderloin district of SF, invites you to spend a day in contemplation and reflection with us. We will pray and discern together as we reflect on the story of St. Francis and the Wolf, pilgrimage briefly through the streets of the Tenderloin, connect to the suffering (and the compassion and joy) that binds us together, and rest on the pews on which our homeless neighbors sleep and pray.
